Million pieces gathered, for the puzzle of hell
Staring in the eyes of death, regretting to tell
Suffer mimic, mime of the dead
The time has passed, obtain the facts
Agressive measures
Agressive measures
Million pieces shattered
For the puzzle of hell
Persisting ways of nature
Regretting to tell
Suffer mimic
Mime of the dead
The time has passed, obtain the facts
Suffer mimic, lord of death
Aggressive measures
Agressive measures
Twisted words, temptation of sin
Spheres of time, so vivid
Dreams to become,
The ultimate aggression
Aggressive measures
Million pieces gathered, for the puzzle of hell
Staring in the eyes of death, regretting to tell
Suffer mimic, mime of the dead
The time has passed, obtain the facts
Agressive measures

Spheres of time, so vivid

The ultimate aggression

Million pieces shattered
