Under your bed
Deep in your head
No longer dead but are you awake?

Not just a fad
Makes you do bad
Fucked in the head but are you afraid?

You're in the dark
Leaving your mark
Larger than large but are you a fake?

Trying to be
A memory
Haunted by me, now are you afraid?

Are you afraid?
Are you afraid?

Because I can see
Right through you
Sick mystery
This part of me, what can it be?

Don't take it away
It helps you see reality
You're incomplete, now are you afraid?

Are you afraid?
Are you afraid?

Because
I can see
Right through you
I can see
Right through you

Because
I can see
Right through you
I can see
Right through you
