Duet with Kenny Ladiende

BOTH:

I'll be the one,
The one that you want
If you'll just stay forever

KENNY:

I'll never let you down
Darling, just stay, my love

SUSAYE:

Be the one
That I've been longing for
Give it time to grow, yeah,
Time to grow on more

BOTH:

True love,
Be the one that you need
If you will stay forever

KENNY:

You'll never need a thing
Darling, 'cause

BOTH:

You got me
We want this love to be
The kind of love the world should see
Together, always true love

(I'll be the one that you run to when you need real love)

BOTH:

I'll be the one,
The one that you want
If you'll just stay forever
I'll be the one,
The one that you need
If you'll just stay my lover

(I'll be the one you love,
The one you'll be thinking of
I'll be the one you love,

The one you'll be thinking of)

BOTH:

I'll be the one,
The one that you want
If you'll just stay forever

SUSAYE:

Stay now

KENNY:

Stay, love

SUSAYE:

Stay, love

KENNY:

My love

SUSAYE:

My love

BOTH:

Say your love is forever

(I'll be the one you love,
The one you'll be thinking of
I'll be the one you love,
The one you'll be thinking of)
(repeat and fade out)
