Have you got something to say?
Are you clear in this dirty game?
(Bring them for someone to blame.)
Have you got someone to blame?

Doesn't matter now,
'cause I'm leaving.
I don't wanna pay for your prostitution.
I know that you're only looking for an execution,
you only fear the revolution.

I wanna be, I wanna be, I wanna be your enemy.
I wanna be, I wanna be everything you fear.
I wanna love you, I wanna lynch you, I'll leave you there.
I wanna silence you, so you can't say you little prayer.
Have you got someone to blame?
Someone pure in this dirty game?

Doesn't matter now,
'cause I'm leaving.
I don't wanna pay for your prostitution.
I know that you're only looking for an execution,
you only fear the revolution.

Aaaahh.

Take it or not, I'm leaving.
I've had enough of your pitiful prostitution.
I know that you're only looking for an easy solution.
You can't stop the revolution.

Aaaaaaaaahuuuuh
