"I Resign"

Visit "[I Resign](#)" on MotoLyrics.com

I have found peace
where it's impossible to rest
No one can fool me anymore
this story now that I could rest and die blessed
I found what I've been looking for
And I want it more and more

And grey skies I don't fear them
'Cause this historic lie
gets a lot of room for birds and metaphors

And I resign
I resign
I resign

Singing hallelujah
Show me all the glory
Celebrate our freedom
from poverty and hell

And you sing hallelujah
and you show me all the glory
You embrace our eternity
then you tell me that I'm not a sinner

Oh, I know
I'm not a sinner

I am not alone anymore
I am guided from mountain to shore
And there is nothing left to fear now
I will follow you, I will turn to you
You are the one I adore

And I resign
I resign
I resign

Singing hallelujah
Show me all the glory
Celebrate our freedom

from poverty and hell

And you sing hallelujah
and you show me all the glory
You embrace our eternity
then you tell me that I'm not a sinner

Oh, I know
I'm not a sinner

Everything is worthless
Just believe and that is all it takes
And baby, you know you should
Prayer is the language we never understood

Just resign
Oh, resign
Just resign

Sing hallelujah
Holy glory
Celebrate our freedom
from poverty and hell

And you sing hallelujah
You embrace our eternity
Then you tell me, that I
I'm a sinner

You embrace our eternity
Then you tell me,
that I'm not a sinner
