Is this thing called love or is it just a spell we're under?  
Is this thing called love?  
Is it really love or is it something else I wonder?  
Is this thing called love?

I have wondered why love passes by  
When you want it in your life  
To comfort you and make things right, right  
You'll find that love will come and look for you  
Still, we have to wait for love true  
Just as the sun comes up,  
There's hope for you and me  
Standing in the wings and dreaming

(Can it be true love?) Or is it just the candles burning?  
Is this thing called love? Baby baby  
(Can it be true love?) Or is it only lover's yearning?  
(Is this thing called love? Can this thing be love?)

You have wondered too if love can be  
With a person just like me  
To comfort you and see you through, ooh  
And if two hearts should feel that love's alright,  
You've got to open up, let love surround you  
And when the sun comes up,  
There's hope for you and me  
Waiting in the wings and dreaming

(Is this thing called love?) I'm wanting to know, oh, is it  
love?  
(Is this thing called love? Is this thing called love?)  
Sweet baby  
(Is it really love?) Or is it something else I wonder?  
(Is this thing called love? Is it really love?) Hey!  
Can it be true love or is it just the candles burning?  
(Is this thing called love?) Heeey!

SAXOPHONE SOLO

Hey!  
Oh, if two hearts should feel that love's alright,

You've got to open up, let love surround you, baby  
'Cause if the sun comes up,  
There's hope for you and me  
Waiting, waiting for true love to find us, baby

(Is this thing called love?) I'm wanting to know, oh, is it  
love?

(Is this thing called love? Is this really love?) Sweet  
baby

(Is it really love?) Saying one thing and doing another  
(Is this thing called love?) When you know you want me  
for your lover, baby

Is this thing called love or is it just the candles burning?

(Is this thing called love? Is this really love?)

Is this really love or just the candles burning?

(Is this thing called love? Is this really love?)

(Is this really love?) Hey hey!

(Is this thing called love?) Hey!
