I believe in love
Yes, I believe in love
Ooh, I believe in love

The temple of love's a sacred trust
A place you can go more than just once
And once it is broken, it becomes a lie
The wings of a dove carry the truth
The cup is half-full of what you've used
And once it is empty, you're confused and cry

Unbelievable
You still believe in love
Unbelievable

A heart can be held but not in hand
'Cause it can pour out like grains of sand
And it flows away like water can run out
But love can be healed by giving back
A small gift of love, that's all we ask
And love turned around becomes the past once more

Unbelievable
You still believe in love

Which one has the choice to love or die?
Not you or I
So, you must take the chance by giving in
And love will win

I believe in love
Yes, I believe in love
Ooh, I believe in love
(2x)

SPOKEN:
I believe in love, in life;
It's eternal;
Beyond tomorrow, beyond forever;
For love is the giver, the bringer,
The first, the last,

The power of one.
