Do you wanna roll me down  
Do you wanna run me wild  
Baby you're the next best thing to a miracle  
Got me tumblin' like a little child  
Everything is magic  
It's everywhere around you  
You could get a wild man singin'  
It's just something about you  
So you need a little romance  
Are you lookin' for real love  
Well darlin' here's your big chance  
I'm ready to roll tonight

Come on you just wind me up  
I'll be your one man show  
Hold you steady never let you go  
I can't live without your lovin'

Would you like to shake my heart  
Swing me like a slide guitar  
You know that I will give my love devotional  
We'll be riding on a falling star  
Everything is mystic, Everything's electric  
Everything is twistin', Love is is eclectic  
So you need a little romance  
Are you lookin' for real love  
Well darlin' here's your big chance  
I'm ready to roll tonight

(chorus)

Hey babe you just wind me up  
I'll be your one man show  
Hold you steady never let you go  
Don't leave me standin' here with nothin'  
Come on you just wind me up  
I'll make your world go round  
Hold you steady never let you go  
Cause I can't live without your lovin'

Everything is tumblin' tremblin' touch  
Everything is gem-like janglin' love

Everything is floatin' feelin' flood  
Everything is rollin' reelin'  
Everything is magic

Chorus

Oh, Oh  
Hold me steady never let me go  
Oh, Oh  
Yeah I'll be your one man world  
Your one man show you just  
Wind me up, Wind me up  
Wind me up, Wind me up
