No one's taking my heart away -
no one's taking the place of you.
Even though I am miles away,
you should know that I'm always true.

Count the days 'til I reach the end,
week by week in a satellite.
and until I'm back again,
all I need is to close my eyes.

And I run,
run back to you.
Yeah and I run,
run back to the one I love.

This is the way I spent the day:
uh huh(did you too?) running back to you.
And when I dream, I see only us.
Do you too?
Running back to you...

i wish that i could go back in time
to the city that's always cold.
time to leave but we stayed inside,
moving as though our bones were old.

Trapped in ice in an avalanche,
here it comes, the pulse pounds
and I'm ready to go.
Mind fills up and it races fast,
but it's erased the moment you close your eyes.

And I run,
run back to you.
Yeah and I run,
run back to the one I love.

This is the only way I spent the day:
uh huh(did you too?) running back to you.
And when I dream, I see only us.
Do you too?

Running back to you...

You'll say, "Is it really you?
Or am I dreaming?"

You're not dreaming.
