Sanctions, everlasting lord  
Cold fingers around my throat  
Hell, luxurious place of emptiness

Face down, head to the ground  
Ten years of suffering  
Enter speak and die  
Acts of ecstasy

Apocalypse in time

Grotesque pile of ancient entities  
The horns of the shrew are raped and slashed

Sanctions, everlasting lord  
Cold fingers around my throat  
Hell, luxurious place of emptiness

[solo: Pascal]  
Face down, head to the ground  
Ten years of suffering  
Enter speak and die  
Acts of ecstasy

[solo: Pascal]

Apocalypse in time

Grotesque pile of ancient entities  
The horns of the shrew are raped and slashed
