Master, sovereign lord  
Of the great abyss, I summon three  
Come forth from the burning pain  
The ancient slumber  
O'divined lord of emptiness

Servants of the black wreckers of havoc  
Stir up vexation, art the damned  
NOW BURN IN ME!

Master, I ride the whirlwind  
The dragon flames which surround my soul  
I have become the deathless one  
Furious with hate  
Sword of the beast awoken to slay

Slaughter of the weak  
Glorification on blasphemy  
Torment to the wicked  
And garland to the wicked

Great spawn of the worm  
The abyss roars with hate  
Powerful manifestation of SATAN

Diabolical sons of pleasure  
The tools of destruction  
Arise for I'm thou lord divined

I'm the sign the blood of vengeance  
Spirit at the horde, covenant of death

Slaughter of the weak  
Glorification on blasphemy  
Torment to the wicked  
And garland to the wicked

Servants of the black wreckers of havoc  
Stir up vexation, art the damned  
NOW BURN IN ME!

Master, I ride the whirlwind

The dragon flames which surround my soul  
I have become the deathless one  
Furious with hate  
Sword of the beast awoken to slay

Great spawn of the worm  
The abyss roars with hate  
Powerful manifestation of SATAN

Diabolical sons of pleasure  
The tools of destruction  
Arise for I'm thou lord divined

Master, sovereign lord  
Of the great abyss, I summon three  
Come forth from the burning pain  
The ancient slumber  
O'divined lord of emptiness
