Dark outer garment
Shapeless mark god-fearing man

Hail sincere cruel tyrant
Thy servant anticipates pain
The reason why things come together
Acts Performed in elaborate way

Quit sedate pronounced sentence
Sober as a judge
In defense permissible difference
It was just a thought

Ritual recitation
Widespread danger of disease
Global sewer junction
Unrestrained and crudely violent

Barbaric order - order of magnitude

[solo: Pascal]

Call upon supplication
Connecting isolated facts
Hunted down by soul assassins
Recognized by solemn tracks

Barbaric order - order of magnitude

It was just a thought [3x]
