Meaningless cover of the soul  
Ignorant slave of the mind  
Trapped till I grow cold  
Fleshless with the unknown entwined

Slave to nothing, till death,  
I'm cursed and trapped in my body

Free of this life, demanding blood  
Free of this life, demanding pain  
Free of this life, demanding flesh  
Free of this all, the fleshless will remain

Slave to nothing, till death,  
I'm cursed and trapped

Weakness surrounding the world I see  
Slaves of flesh, chained in reality  
Caught in this body, sin guides the way  
No way out, fleshless I'm free  
Crawling - human waste, flesh - dominates  
Achieving - ignorant greed  
Destructive - disease starts to breed

The only way is to step into the unknown  
The only way out is to die

Passed away lost from the flesh  
Oneway trip, there's no return

Chained in reality - chained

Meaningless cover of the soul  
Ignorant slave of the mind  
Trapped till I grow cold  
Fleshless with the unknown entwined

Passed away...
