Implement Fear
Deprive them of their sacred pride
In a murderous frenzy
As if possessed and justified

Straw man, figurehead, renegade...warlord
Kill and mass, first in front
Sudden decline
A dying of archaic hopes
This must be obeyed
It's Vexing to admit you're wrong

Ruminate, precipitate, chaos run amuck
Incinerate, eradicate, intellect absorbed

Further decline
The state of feeling death approach
By an act of aggression
And pernicious evil thoughts

Straw man, figurehead, renegade...warlord

Implement Fear
Deprive them of their sacred pride
In a murderous frenzy
As if possessed and justified

Straw man, figurehead, renegade...warlord

[solo: Pascal]

Ruminate, precipitate, incinerate, eradicate

[solo: Pascal]

Further decline
The state of feeling death approach
By an act of aggression
And pernicious evil thoughts

Straw man, figurehead, renegade...warlord
