Sign of the cross, symbol of hatred  
Tribulation  
Across this land, signs of the beast  
Everlasting rape  
Ravished and scorned, silenced by madness  
The world will burn

Dominate the law  
Laws of dominion  
Conquer the pain  
True dominance of death

Dominion

Tempted and distressed  
Underworld of doom  
Ungodly act of disaffection  
Stranded and confined

I'm the havoc, the vulture of transmission  
Coroner and king  
The art of true extinction

Dominion [3x]

Obey my legions of pain  
Suffering, divine or insane  
The horror build from inside  
When both world will collide

[solo: Pascal]

Dominate the law  
Laws of dominion  
Conquer the pain  
True dominance of death

Tempted and distressed  
Underworld of doom  
Ungodly act of disaffection  
Stranded and confined

I'm the havoc, the vulture of transmission  
Coroner and king  
The art of true extinction
