Blood flows over me
Feeling of excitement
A pleasant ache

Scenery of flesh
Bodies bounded by rotting
Paradise of pain
Screams they numb me

Crucified immortals
Mutilated and impale
Suffering is everlasting
Incantation of the damned

Appearance from the guides of death
Fire among the blackened shapes
Behold sodomising ghouls
Screams and pleasantness

All disappears as I scream at the wind

Glaring light blinding the eyes
An angel calls unto me
Embracing her naked body

Bestial vitality awakes

Bodily contortion
Impalement of the flesh
Cut throat, ejaculation
Innards receiving cum

Blood flows over me
Feeling of excitement
A pleasant ache

Scenery of flesh
Bodies bounded by rotting
Paradise of pain
Screams they numb me

Crucified immortals

Mutilated and impale
Suffering is everlasting
Incantation of the damned

Appearance from the guides of death
Fire among the blackened shapes
Behold sodomising ghouls
Screams and pleasantness

All disappears as I scream at the wind
Imprisoned by the blackened sin
