First one, let the games begin
There ain't no time for me to pretend
Now I got the key to the door I want
So open up and let me in

There is something, baby, about you
That's really attracting me, yeah
And your sweet love, darling
Really got a hold on me

I've got a little taste of your love
And now I'm hooked on you, yeah
And I keep falling, falling
But what can I do

I'm too weak to fight
Listen to me, baby
Too weak to fight, yeah

You're breaking down my health, girl
Can't eat, I can't sleep
I've tried to turn you loose
But your hook is in too deep, oh yeah

My resistance is getting a little low
And I've got to find a cure
?Cause I keep falling, falling
Falling for you, yeah

I'm too weak to fight
Listen to me, baby
Too weak to fight, yeah
I'm too weak to fight

You're messin' with my head
You got me too weak to fight
Too weak to fight now, baby
Calling wrong numbers

Too weak to fight now, baby
You got my head going round and round

Too weak to fight now baby
Baby, baby, baby, baby, too weak to fight
