Haven't you seen me sleepwalking cause I've been  
holding your hand  
Haven't you noticed me drifting  
Oh let me tell you I am

Tell me it's nothing  
Try to convince me that I'm not drowning  
Oh let me tell you I am

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you  
Ooh

Why I am feeling so guilty  
Why I am holding my breath  
Worry about everyone but me and I just keep losing  
myself

Tell me it's nothing  
Try to convince me that I'm not drowning  
Oh let me tell you I am

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you

Oh won't you read my mind  
Don't you make me like you  
And I hear

Please  
Please tell me you know  
I've got to let you go  
I can't help falling out of love with you  
With you

Haven't you darling  
I'm sleepwalking
