"Forget Me Not"

I've been a waiting for you
And you've been a waiting for me
Tell me that you'll always true
And you'll be the only one for me
Forget me not my dear, my darling
Forget me not my love

I just wanna hold your hand
Hang on every word you say
Let's write a song for us
And sing it til we're old and gray
Forget me not my dear, my darling
Forget me not my love

I'm coming home real soon
Please leave a light on for me
Tell me that you'll always be true
And you'll be the only one for me
Yes you'll be the only one for me
