"No Ordinary Love"

I gave you all the love I got
Gave you all that I could give
Gave you love

I gave you all that I had inside and you took my love
Took my love

I keep crying
(Keep crying)
Keep trying for you
I keep trying
(Keep trying)
I keep crying for you

This is no ordinary love
No ordinary love

This is no ordinary love
No ordinary love

Oh
When you came around you'd brighten
Oh
You'd brighten everything with your sweet smile

Oh
And didn't I tell you all I've got to give baby
Oh

I keep crying
Keep trying for you
I keep crying
Keep trying for you

'Cause this is no ordinary love
No ordinary love
Oh

This is no ordinary love
No ordinary love
Oh

This is no ordinary love
No ordinary love
Whoa
Oh

This is no ordinary love
No ordinary love
Oh

I gave you all the love I got
Gave you more than I could give
Gave you love
