You only know what I want you to
I know everything you don't want me to
Your mouth is poison
Your mouth is wine
You think your dreams are the same as mine

I don't love you but I always will
I don't love you but I always will
I don't love you but I always will
I always will

I wish you'd hold me when I turn my back
The less I give the more I get back
Oh, your hands can heal
Your hands can bruise
I don't have a choice but I still choose you

Oh, I don't love you but I always will
Oh, I don't love you but I always will
I don't love you but I always will
Oh, I don't love you but I always will

I don't love you but I always will
I don't love you but I always will
I don't love you but I always will

I always will
I always will
I always will
I always will
