{Chours}

Money on the table
More money on the floor
Got another show
So I'm bout to get a couple more
Niggas hatin' cuz it's something that they can't afford
Got another show
But I'm bout to get a couple more
Imagination is the key to success
So I dream and believe in myself to progress
Dreams of a young nigga trying be the best
Smoking weed just to take away the stress

{Verse}

It goes
Peanut butter ice cream
Mahn I got the right team
Swain Tigga T Caga Jaga at the right wing
I make these niggas open wide like Visine
So open up your eyes
Damn these niggas eyes green
Mahn these nigga last like YZ
Steady trying cheat Up Left Down Right B
Mahn I'm in this game for the right thing
I'm just trying do the right thing
Like Spike Lee
And all these niggas trying tell me what is right for me
But this shit is in my blood this is life for me
You know it's stifling
That all these niggas think abouts the money that I
made
And the hoes that I freaked
See I'm just trying eat
And yall nigga bulimic
Andim just trying be the one that yall nigga believe in
Dreams of an adolescent finally believing
What they thought I couldn't do when they saw a nigga
sinking

{Verse}

Ya I'm stepping in the building
You just stepping in the backyard
Yes you need binoculars to see me I am that far
And I am that hard
Harder than you think
Leaving bitches on the floor
By the bathroom sink
I know I did my thing that's why the bathroom stink
Cuz I'm shittin on these niggas like LA do the kings
Kobe on the track going for the next ring
And I'm staying on my grind
Colder than a ice rink
Dreams of reality
I hope you proud of me
I made it to the top floor of the balcony
They thinking how can he
Doubting me
They just out for me
Because they'd rather see me fall
Than to vouch for me
I seperated the fake niggas from real ones
And got my mind on my money
And that's real son
I'm steady focoused with my mind on my vision
Painting pictures with the real niggas in it
I'm fuckin livin'

{BreakDown}

Yeah I'm feeling super high

Just dreaming of reality

Feeling super high

Hoping everybody proud of me

Yeah I'm feeling super high

Just dreaming of reality

Feeling super high

Hoping everybody proud of me

Yeah I'm feeling super high

Just dreaming of reality

Feeling super high

Hoping everybody proud of me

Yeah I'm feeling super high

Just dreaming of reality

Feeling super high

Hoping everybody proud of me
