Well he's never cheated
But his eyes aren't on mine
They're romancing that TV
Like it's some sort of shrine
He's caressin' that remote
Like he used to hold me
Just strokin' my desire
For new company

Oh goodbye darlin'
Got a new date tonight
It's a hot one
Involves romance, candles and wine
We'll turn down the lights
And turn up the love
You ain't invited to my date with the tub

Well I'm no adulteress
Unless count this affair
These bubbles have gone places
You forgot were even there
This water's way hotter than you've ever been
I'm feelin' all heated from my loofa sudsin'

Oh goodbye darlin'
Got a new date tonight
It's a hot one
Involves romance, candles and wine
We'll turn down the lights
And turn up the love
You ain't invited to my date with the tub

Oh goodbye darlin'
Got a new date tonight
It's a hot one, involves romances
Candles and wine
I'm just sudsin' my blonde hair
But this could be love
You ain't invited to my date with the tub
You ain't invited to my date with the tub
