"Down In My Grave"

I packed everything I owned
In the back of my car
I didn't know where I was going
But I was gonna be a star

Put on "Any Man Of Mine"
Then I pressed play
I10 outta Huston all the way to LA
Tell my momma I'll be back someday

I'm on the highway and I'm ready to go
Man I'm dying to get out on the road
I'm just trying to find my way
And I ain't gonna rest
Till I'm down in my grave

People say I'm crazy
And you know I agree
Aw but what's so crazy
'Bout chasin' your dreams

Who needs a map?
I've got the stars tonight
Follow my gypsy soul to the neon lights
And who knows what I'm gonna find

I'm on the highway and I'm ready to go
Man I'm dying to get out on the road
I'm just trying to find my way
And I ain't gonna rest
Till I'm down in my grave

I'll never know if I can fly
If I don't step out off the ledge
I'd rather take some chances
Than live life with regrets

I'm on the highway and I'm ready to go
Man I'm dying to get out on the road
I'm just trying to find my way
And I ain't gonna rest

Till I'm down in my
I ain't gonna rest
Till I'm down in my
I ain't gonna rest
Till I'm down in my grave
Down in my grave
I ain't gonna rest, no no
Till I'm down in my grave
