Sinner

Left out in the cold I wandered the land of lonely souls  
I was ... brought up by the bitch of Babylon  
But be that as it may, I'm the rulebreaker  
The thrill is gone and damned have won

[Chorus 1:]

Like a stranger  
A prisoner in white  
Like a stranger  
Look out!

[Chorus 2:]

Shadow in the night [2]  
In the night  
Shadow in the night  
Ow!

The light of the bad days ... will take the shiver off my  
shoulders

I'm lookin' out for my piece of mind  
I'm runnin' every night with one foot in my own grave  
Through the street of Babylon

[Chorus 1 & 2]

Shadow in the night  
In the night  
Shadow in the night  
In the night  
Shadow in the night  
In the night  
Shadow in the night  
In the night  
Shadow in the night  
In the night  
Shadow in the night
