Intro:

Ahh, you're on my mind, yea

[Verse 1]

I'm thinking about you

Girl how I miss you...ou

Baby ever since that day, you went away, yes

I can't live without you...ou

[chorus]

You're always on my mind

You're always on my mind

You're always on my mind

Girl...you're on my mind

[Verse 2]

I gave you all of me

And now your not here with me

Nothing will ever change

My love for you remains the same

I can't wait to see you again

[chorus]

You're always on my mind

You're always on my mind

You're always on my mind

Girl...you're on my mind

[Bridge]

If I don't see you today I hope I'll see you tomorrow

Girl I've got to let you know

How I feel yeah yeah

This love is real

And I don't want to fool myself, no

It belongs to you and no one else

[chorus]

You're always on my mind

You're always on my mind

You're always on my mind

Girl...you're on my mind

(Till Fades)
