Ye-e-eah yeah yeah!  
(Been to long now baby)  
Ye-e-eah yeah!  
(And I'm missing you like crazy)  
Ye-e-eah yeah yeah!  
(I want u back)

[Verse 1:]

My life is over now that your gone,  
You are no longer here in my arms,  
Where did we breakdown, We was so strong,  
I don't know where, Where we went wrong,  
I had something special, Thought it would last,  
Should of known better but I bluw my chance,  
Now I am longing to bring back the past,  
That is all I ask,

[Chorus:]

Cause I'm missing you-u-u  
And I need your love  
(Oouh baby)  
Cause I'm missing you-u-u  
And I need your love  
(Oouh baby)  
(I'm missing youuuu)

[Verse 2:]

Where must I go now, Where do I go from here  
My world is so cloudy nothing seems clear,  
Sometime's I hear voices, Thinking your there  
Stearring through my window, Wishing u would  
appeare,  
I used to feel cuddly, Back there and then  
I need the feeling in my life again  
If your gнна come back, I need to do it!

[Chorus]

[Verse 3:]

You've got the power that can set me free,  
Reach out and touch a special pa-art o-of me,  
Your more than a friend, Can't wait to see u aga-a-ain...

[Chorus]

[Voice faddin:]

I'm missing u baby

I'm missing u baby when are u gonna come ho-o-ome

I'm missing u, Like crazy

I'm missing u, Like cra-a-zy

I'm going crazy-ey!

Cause I'm needing u bab-ey-ey- hey-ey eh eh!

Cause I'm waitting, Still waiting
