[Intro:]

Cyaan believe(cyaan believe)  
Dem a loose it  
Technology confuse it  
Whoaa

[Verse 1:]

The odda day mi see a face pon myspace  
Dem have dem face a put in a some strange place  
And den dem tinkdem woulda get away without a trace  
But like a virus dem business pollute the place  
And then ya have some a dem weh love fi record dem  
thing  
And a you tube an abluetooth dem a sort out dem thing  
Nuh surprise when your hear your name calling  
Seet deh now you can't show your face a morning

[Chorus:]

Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak  
Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak

[Verse 2:]

See dem spread out pon myspace and facebook  
But dem waan fi get tag and dem go get jook  
Dem neva know the surveillance dem did a look  
And dem go get card dem neva think dem could  
And dem mi see dem spread out pon hi-5  
All have dem life save pon a thumb drive  
Somebody found it upload it to dem hard drive  
See it deh now dem going through same hard life

[Chorus:]

Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak  
Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak

[Verse 3:]

Tell dem, dem nuh clever  
Seh dem a move like dem a rudebwoy trevor  
Mi know dem dweet but dem claim seh dem never  
All when mi see dem pan di front a di Gleaner  
Dem ting deh we no inna  
Tell dem man a gangsta  
Not inna di lose ball ting  
Nah fi do that to mi gir, I fi get no rating  
Dem alone couldn't so hungry nastiness a grieving  
A wah dat mi see dem promoting

[Chorus:]

Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak  
Technology  
Have di whole a dem weak  
See di whole a dem a try retreat  
Dem business leak  
The whole world seet  
A now mi know seh dem a freak
