Hook:

Roll, roll, roll, there, there, there
You don't have to go that far,
You just slide in to my car

[Verse 1]

I got my eyes on 52 inch, wit my fingers on chocolate
thick and richer
Smoke the last of the grass, put the dub in glass
Start smoking wit a virgin, baby doll rest ya nerves
recline lay on back
Instead of spend a stack, pimp really kick back,
Get some ass just like that
See I never been ahead ??? ??? (Lexus)
That apply to (Texas)
Do or Die (Respect us, don't test us, get checked wit the
tech sir)
But back to your slow lord, really wanna know about
your low luv
You can stop ackin' so so intimidated by the slow flow
Hurt my feelings is a no no
Let me sit beside you at the sun beach, got me trippin
off the sun heat
See you think it run me, see you think its the weed
talking
Conversation on the pond, took a pause for a minute
you start walking
I know its your first time, just follow your first mind
And when you lose control, I'ma smooth ya soul
But all I really wanna know...

Hook: 2x

Can I roll, roll, roll, there, there, there
You don't have to go that far,
You just slide in to my car

[Verse 2]

Baby would you die for me, when I can't see give a eye
for me,
lay to the side and cry for me, when I'm in my grave

say bye for me
Cause I might be, Chilling with ya blasphemy, lay low
while I past the B
If you really wanna ride when the time is right, put it off
to the side come
on, ride ride wit daddy
Down past in the caddy, spittin' honey in ya ear like a
bumble bee
Won't 'cha men's come run wit me, let me show you
what fun can be
Choppin up from beyond the sea
Ain't this some (shhh...) still playa hate cause I kept real
Never asked for a free meal, all I asked if I work
coming up from the dirt
show me luv not a fake thrill
I'ma flirt wit the girls and um make sure that they worth
time and personal
Travel round the world and um make they money while
have fun, gotta have em,
parly everyday wit my homies
I will never leave you lonely, I keep it real for my homey
Feel, never down out and lonely, come on

Hook: 2x

Can I, roll, roll, roll, there, there, there
You don't have to go that far,
You just slide in to my car

[Verse 3]

And they know when I be on, in the back of a caddy
ridin' three strong
Roll the bees on, hit the switch on the six, roll the caddy
wit d's on
To the head and the weed gone
See the mansion doors, dipping through house wit the
??? doors
Wait to you get to the marble floors, like a persian rug,
cow gun in the tub
Ain't got the mind for luv making, cause I'll leave you
where I found you at
the club shakin'
Cause I'll do you like bruson bacon
Baby maybe I'm mistaken,
It ain't no simp in me, its all pimp in me
And I can tell ya flip a g stack
And if its you let it bring three back
And now the P-i-m-p's back
Now let me rub, massage you relax

[Talking]

Baby its like P-o-P-i-m-p, olgy
But obviously, Joe don't wanna be a player no mo'
So what I really wanna know is...

Hook: 2x

Can I roll, roll, roll, there, there, there
You don't have to go that far,
You just slide in to my car

Can I roll, roll, roll, there, there, there
2x to end
