Everybody dance now!
Give me the music
Everybody dance now!
Give me the music
The music is my life
Welcome to my party, baby...

TÃº tienes el boom-boom, baby
Que a mi me hace bailar
El DJ te seduce y tÃº te dejas cautivar
No encuentro la manera de poderte controlar
La joda te consume, everybody dance, da-da-da-da-
dance!

La noche no tiene fin, la disco va a rockear
(Va a rockear!)
Todo el mundo mano arriba, brincando sin parar
(Sin parar!)
Que la pista no pare, no (Ã¡No!)
No pare, no (Ã¡No)
No pare, no

Everybody dance now!
Everybody dance now!

Everybody dance now!
Give me the music
Everybody dance now!
Give me the music
The music is my life!

Everybody dance now!
Everybody dance now!
Everybody dance now!
Give me the music
Everybody dance now!
Give me the music
The music is my life!

Give me, give me, give me the music, baby
Give me, give me, give me the music!

Everybody dance now!
Give me, give me, give me the music, baby
Give me, give me, give me the music!
Everybody, everybody, everybody dance now!
Give me, give me, give me the music, baby
Give me, give me, give me the music!
Everybody dance now!
Give me, give me, give me the music, baby
Give me, give me, give me the music!
Everybody dance now!
