don't think i didn't know what was goin down  
you had me fooled for a little while  
& i thought you was my baby  
you had me fooled for a little while  
don't think i didn't know what was goin down  
you had me fooled for a little while  
& i thought you was my baby

this is the last time we gon break up

i don't need a boy to tell me who i am  
cause i'm through thinkin about what happened
