Why do we have it out, for each other?
When all we have, is each other?
Piece by piece, I try to put you back together.
I'm the one who broke you down. (I broke you down.)

Slow down on me now.
Where do we get off?
(We're all we have, we're all we have.)
What's to come of us,
If all we have is gone?
(We're all we have, we're all be have.)
We'd be lost.

Where did we start to build these walls?
And is there any way, to storm your gates?
Brick by brick, I try to fill the home together,
But I'm the one who burned it down. (I'm the one who
burned it down.)

Slow down on me now.
Where do we get off?
(We're all we have, we're all we have.)

What's to come of us,
If all we have is gone?
(We're all we have, we're all we have.)
We'd be lost.

(Slow down on me now.
Where do we get off?
We're all we have, we're all we have.
What's to come of us,
If all we have is gone?
We're all we have, we're all we have.)

Slow down on me now.
Where do we get off?
(We're all we have, we're all we have.)
What's to come of us,
If all we have is gone?
(We're all we have, we're all we have.)
