And we're driving just as fast as we can
And we're racing to outrun the wind
It's just me and you and you and me
So wild and so young, bright-eyed and free

And we're trying to get out of here
And a small town romance draws ever near
And I swear we're in a movie
The highlight comes when you kiss me

And the stereo sings our sing
We don't hesitate sing along

Drive to dream to live
We could see the world tonight
Here to hope tomorrow
We could see the world

And we're miles from the middle of nowhere
And neither of us seems to care
And that's why I love you so
Shut your mouth girl no one has to know

And times seems to drip like Dali
And neither of us has a place to be
So once and forever tell me all
Tell me all of your dreams

And the stereo sings our song
We don't hesitate just sing along

Drive to dream to live
We could see the world tonight
Here to hope tomorrow
We could see the world

Drive to dream to live
We could see the world tonight
Here to hope tomorrow
We could see the world

And we're driving just as fast as we can

And we're racing to outrun the wind
And the stereo sings our song
We don't hesitate just sing

Drive to dream to live
We could see the world tonight
We don't hesitate just sing
Here to hope tomorrow
We could see the world

Drive to dream to live
We could see the world tonight
We don't hesitate just sing
Here to hope tomorrow
We could see the world

Drive to dream to live
We could see the world tonight
We don't hesitate just sing
Here to hope tomorrow
We could see the world
