This is surrender
To a war-torn life I've lived.
Scars and stripes forever
In need of change I can't resist.

No need to hide anything anymore.
Can't return to who I was before.

I can finally breathe.
Suddenly alive.
I can finally move.
The world feels revived.

This long of a struggle
Finally opened up my eyes.
Revolution's not easy
With a Civil War on the inside.

No need to hide anything anymore.
Can't return to who I was before.
I can finally breathe.
Suddenly alive.
I can finally move.
'Cause I realize.

I can finally breathe.
Suddenly alive.
I can finally move.
The world feels revived.

I can finally breathe.
Suddenly alive.
I can finally move.
'Cause I realize.

I can finally breathe.
Suddenly alive.
I can finally move.
The world feels revived.

I can finally breathe.
Suddenly alive.

I can finally move.
The world feels revived.
