Do you expect me?
To be or believe you?
Do you accept me?
When it's me you can see through?

Are you keeping safe distance?
Are you arms length away?
Are you keeping safe distance?
Holding me arms length away?
Are you there, can someone answer me?

Closer, closer, closer.
Closer, closer, closer.

Do you expect me?
To keep from crawling back.
Do you accept me?
When we both know my past.

Am I keeping safe distance?
Pushing you arms length away?
Am I keeping safe distance?
Oh, it's you that feels betrayed.
Are you there, can someone answer me?
Come where I can see.

Closer, closer, closer.
Closer, closer, closer.
I know you're out there somewhere.
Come where I can see.
Closer, closer, closer to me.

Come closer.
Come closer.
Come closer.

Closer, closer, closer.
Closer, closer, closer.
Are you out there somewhere?
Go where I can see.
Closer, closer, closer to me.
