Lets you and me make our way just beyond haight st
Lets leave this life behind forgetting all they say
The time we have this time weÂ're borrowed
Stay out all night
Forget tomorrow

Lets you and me
Make a night of it
Old enough to know
But too young to care

Lets you and me
Make a night of it
Old enough to know
But too young to care

The review mirror shows the towns weÂ're abandoning
Lets leave this life behind forgetting all they say
The time we have this time weÂ're borrowed
Stay out all night
Forget tomorrow

Lets you and me
Make a night of it
Old enough to know
But too young to care
Lets you and me
Make a night of it
Old enough to know
But too young to care

[WeÂ'll care] if thereÂ's trouble tonight
[WeÂ'll care] cause the kids are alright
Tonight weÂ'll take this town
Cause weÂ're old enough to know
But too young to care

Lets you and me
Make a night of it
Old enough to know
But too young to care

Lets you and me
Make a night of it
Old enough to know
But too young to care

[Weâ€™ll care] if thereâ€™s trouble tonight
[Weâ€™ll care] cause the kids are alright
Tonight weâ€™ll take this town
Cause weâ€™re old enough to know
But too young to care
