Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you

Come in with peace

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you
