Oh, please don't go, I need you
I'll please you, not mislead you
If you would be
My only one

Together we move slowly
I'll never leave you lonely
If you would be
My only one

If you believe
We were meant to be
Why'd you leave me alone

What happened to forever
I'll try to make things better
If you would be
My only one

Now six days since we've spoken
I'll fix you when you're broken
If you would be
My only one

If you believe
We were meant to be
Why'd you leave me alone

If you believe
We were meant to be
Why'd you leave me alone

If you love me too
Can I call you
My only one

If you say no
I won't let go
My only one

If you believe

We were meant to be
Why'd you leave me alone

If you believe
We were meant to be
Why'd you leave me alone
