Solitary views

Of the other side of a plane we've yet to know
Will we ever get the chance to walk alone in this life
Or when we find out that we're home?
What will we hear there?

Love me, love me,
Why don't you know me, know me?
Hold me, hold me
And trust me, trust me

Inhabitations through
I can finally forget a past you say you never knew
I reach my hands to the sky

Love me, love me,
Why don't you know me, know me?
Hold me, hold me
And trust me, trust me

Love me, love me,
Why don't you know me, know me?
Hold me, hold me
And trust me, trust me

There's a time and place
An unknown region of space
I can meet you all there
Throw your arms in the air
Hands towards the sky,
And your fear
Hands towards the sky,
And your fear

Love me, love me,
Why don't you know me, know me?
Hold me, hold me
And trust me, trust me

Love me, love me,
Why don't you know me, just know me?
Hold me, hold me

And trust me, trust me
