Surgery
Open heart surgery
Confessions committed one by one
How long
How long
Do you think this can go on and on
Take a look
Take a look inside and tell me what you'll find
What I know you'll find under there

Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you
Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you

Emergency
This is emergency
Your questions are now weighing on my soul
Audience
Audience of one
Luckily for me you're not Him
Take a look
Take a look inside and tell me what you'll find

Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you
Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you

I'll never be what you want me to be
I can't be what you want me to be
You'll never see what you want me to see
You couldn't be
You couldn't be
I'll never be what you want me to be
I can't be what you want me to be
Stay stay oh stay stay

Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you
Have I said too much or not enough
Stay stay stay where I can see
Stay stay stay where I can see you

What do you want from me
What do you want from me
Stay stay stay where I can see
Stay stay stay where I can see you
