The ground is shaking underneath
Now that you're here
A body skipping beats
When you appear

The world is on fire
Since you've come near
All I've ever desired
Is here with me
You're here with me
You're here with me
You're here with me

Take me as you found me
Take me as you found me
Or leave me to die
Leave me wanting
Leave me wanting
The rest of your life

Who's going to drink my blood
Now that you're gone
Who's going to right all my wrongs
Now that you're gone
Who's going to tear my flesh with a stirring sing
Now that you're gone
Woaahh
Now that you're gone

Take me as you found me
Take me as you found me
Or leave me tonight
Leave me wanting
Leave me wanting
The rest of your life
Take me as you found me
Take me as you found me
Or leave me to die
Leave me wanting
Leave me wanting
The rest of your life

The rest of your life
You leave me stranded
Now that you're gone
Don't leave me stranded
Out here all alone

Take me as you found me
Take me as you found me
Or leave me tonight
Leave me wanting
Leave me wanting
The rest of your life
Take me as you found me
Take me as you found me
Or leave me to die
Leave me wanting
Leave me wanting
The rest of your life
