

## Anberlin "Time & Confussion"

Visit "[Time & Confussion](#)" on MotoLyrics.com

Woah oh! Yea yea! Woah oh yea yea woah oh!  
Woah oh! Yea yea! Woah oh yea yea woah oh!

Live for today, we'll dream tomorrow  
We've got big plans in sight  
We'll take this city, and by nightfall  
the bright lights are calling  
Everything is going our way  
Everything is just as we planned  
This is our future for what we've heard,  
and i've still got your hand

And it feels like, we could last forever  
And I'm not doing this alone

When memories fade, we've got eachother  
When time and confusion collide  
singing, "I hold it all when I hold you."  
When friends walk other ways, we've got eachother  
I hold it all when I hold, I hold it all when I hold you

Woah oh! Yea yea!  
Woah oh yea yea woah oh!

We fell on hard times  
This isn't the ideal  
We're miles from home, doing the best that we can (the  
best that we can)  
I wont do this without you (do this without you)  
Wont do this without you so take heart  
'Cause you know that you have mine

And it feels like, we could last forever  
And I'm not doin' this alone.

When memories fade, we've got eachother  
When time and confusion collide  
singing, "I hold it all when I hold you."  
When friends walk other ways, we've got eachother  
I hold it all when I hold, I hold it all when I hold..

It's not about the money we make

It's about the passions that we ache for  
What makes your heart beat faster  
Tell me now, what does your body long after  
I don't care now where we live  
It's not where, or what, or who we were with.  
I just need you in my life, so promise me again!

When memories fade, we've got each other  
When time and confusion collide  
singing "I hold it all when I hold you."  
When friends walk other ways, we've got each other  
I hold it all when I hold, I hold it all when I hold you

Woah oh! Yea yea!  
Woah oh yea yea woah oh!
