Don't Give It Up

Verse1

This pressing feeling
It's gotta implode, oh
We fight the feeling
But we can't ignore
Who can show us how
When what we want is right now

Chorus

Don't give it up
I heal and hide
Forgive this hurt of mine
We all have the scars
To show

Verse2

Remote controlling
This total ache, oh
Internally
It wants to destroy
Who can show us what
Will become of us

Chorus

Don't give it up
I heal and hide
Forgive this hurt of mine
We all have the scars
To show

Counter melody

Don't give it up now
Just live it up
Don't give it up
And mess it up

Verse3

Know what your doing
What you came here for
You want to take them

Hold them down
Who can show us love
That holds no doubt

Outro chorus
Don't give it up (don't you wanna)
I heal and hide
Forgive this hurt of mine
We all have the scars
To show
