It's a good sign
When we love things
Make a weak defence
I'm not lying
It's a sign of mine

Take a look, get a hook,
It's worth holding
Read the book, see the look,
We're moulding as one body
As we cook every look
Too scolding

Have I said something?
Will our love still show?
Would encase your love every day.
In your love's a special occasion.

Take a look, get a hook,
It's worth holding
Read the book, see the look,
We're moulding as one body
As we cook every look
Too scolding

Baby shook, what you took,
I'm holding.
You're the cook, read my book,
It's floating.
Ours is not to reason why.
Get a hook, every look's
Worth holding

Te gustas tu colegio? {"Do you like your school?"}
Si {Yes}
Porque? {Why?}
Por que es muy grandeâ€¦ {Because it's very bigâ€¦}
Te gustas tu colegio? {"Do you like your school?"}
Si {Yes}
Porque? {Why?}
Por que es muy grandeâ€¦ {Because it's very bigâ€¦}
Te gustas tu colegio? {"Do you like your school?"}

Si {Yes}
Porque? {Why?}

Take a hold of every moment
Every movement, every garment.
Held my soul like you're a solvent,
I could use your deep involvement

Baby shook, what you took,
I'm holding.
You're the cook, read my book,
It's floating.
Ours is not to reason why.
Get a hook, every look's
Worth holding

Baby shook, what you took,
I'm holding.
You're the cook, read my book,
It's floating.
Ours is not to reason why.
Get a hook, every look's
Worth holding

Te gustas tu colegio? {"Do you like your school?"}
Si {Yes}
Porque? {Why?}
Por que es muy grande! {"Because it's very big!"}
Te gustas tu colegio? {"Do you like your school?"}
Si {Yes}
Porque? {Why?}
Por que es muy grande! {"Because it's very big!"}
Te gustas tu colegio? {"Do you like your school?"}
Si {Yes}
Porque? {Why?}
