(Hoooo! Ah yeah love letter)

Hoooo! Ha

I'm gonna write what I want you to do to me in a letter

(Ah yeah)

I'm gonna write it for good or for bad or for worse or  
for better

(Ah yeah love letter)

I'm gonna write it for you so that you can be my lover

(Be my lover, ooh!)

'Cause when it is yours I am yours baby now and  
forever

(Ah yeah love letter)

Ohh (read my letter) won't you help me get out

(Be my lover... love letter)

Ohh won't you help me get out of my head

My roommate's light is on but you can forget her

(Ah yeah love)

'Cause tonight is the time that we're knowing each  
other better

(Ah yeah love letter)

I'm gonna write what I want you to do to me in a letter

(Be my lover, ooh!)

I'm gonna walk through the sky until I find a feather

(Ah yeah love letter)

Ohh (read my letter) won't you help me get out

(Be my lover... love letter)

Ohh won't you help me get out of my head

I'm gonna write you a letter

Ohh baby

For good or for bad or for better

Please believe me darling

Darlin' I'm yours once you've read it

I'm yours

Never ever forget it

Ohh I'm gonna write you a letter  
For good or for bad or for better  
Ooh!  
'Cause when it is yours I am yours baby now and  
forever  
(Ah yeah love letter)

Ohh (read my letter) won't you help me get out  
(Be my lover... love letter)  
Ohh won't you help me get out of my head

Darlin' I'm yours once you've read it  
Never ever forget it  
For good or for bad or for better  
I'm gonna write you a love letter
