[Chorus]

First a studio, then a video, then we do a show

Count my cash flow

Then I fuck a hoe, roll up a smoke, jump in the range

Brand new clothes, I got all the hoes, on tha east coast
to tha west coast, yall know how we go

First a studio, then a video, then we do a show

Count my cash flow

So when we step up we waste no time

We flut up ya fans, and take 'em, they mine

No set can come close to us, fool, they clowns

The Battle of my ? it go round and round

I turn a stupid ass smile upside down

[Verse 3]

Yo' the cash must be made
Organized crime, cook up a kilo break it down
to dimes, spread it out in packages ? and ?
Fuck them handcuffs the cops can't touch us
A fourty-five, they got accurate aim
If you ain't in my game take a bullet to tha brain
Shit, nobody cares, life ain't fair
I feel like I was born in an electric chair
Yo' wheres tha jungle, gon' be here for years
Just a stopper through the game like the numba man
In the hood, ? you got ? BraveHeart slam
Step up on tha side my man you don't undastand
I'm from tha QB side of things, things is things but
You know my niggaz,yo they let them things ring
And we right, straight right through yall niggaz
Snatchin dat paper, & you know we snatch a couple

[Chorus]

First a studio, then a video, then we do a show

to tha west coast, yall know how we go
First a studio, then a video, then we do a show
Count my cash flow
