[Chorus 2X: Grand Wiz]

I get a sensation when you suck my dick (my dick)  
Then you lick my balls (my balls)  
Give me that good pussy (pussy)  
So I could knock down the walls

[Verse: Jungle]

Yo, it feels so good, shorty gobblin' and swallowin'  
Baby bobbin' weed, the lips I bust on top of them  
Your ass so fat, you see ghetto booty bounce up and  
down  
Like the porno movie "Girls Gone Wild", swing it all  
around  
Can I hit it like this? Like that?  
I can't wait inside, from the back  
Stand up, ma bend over, love, let me control ya  
I fold ya, all up like a prep suit  
I'll protect and caress you  
I'll draw it boo, intellect you  
Or disrespect you

[Chorus]

[Verse: Grand Wiz]

Nigga she was addicted, to what the dick did  
Had her going crazy, fucking with the lips kid  
Doing it, come quick I might ruin it  
So I gotta, switch positions and get in to it  
And bitch you better hold on, for that ride  
Riding the pipe, yes my dicks inside  
I mean, my shit must have been made for this spot  
Because I couldn't think of a better place (why not?)  
Cause the weed and liquor is getting to me  
In a flash, and that ass is where I'm supposed to be  
Pussy take me to ecstasy, so I know when I beat it up  
good  
You stand right next to me  
And girl, you know that I do it all night  
Fuck to the morning, I get it right  
Brave-hearts, about to blow  
G-w-i-z I'm telling these hoes

[Chorus]

[Verse: Jungle]

Yo I rip it up right? (yeah aight)  
I make a hoe want to turn into my housewife  
The sex, the cash, I'm from the project I grew up fast  
I had the old and the young hood rats  
Mix some hypnotic and a konyache  
Bitches on my dick, cause I bust my gat  
So m@nage trios, it'd be like that

[Verse: Grand Wiz]

So let me turn it up, tear it up  
Eat it up, beat it up  
When I'm in it, I think I fuck something  
That'll get 'em rimming, when we  
Blaze the haze, and sexing crazy  
Fuck your friend whether she with it or hate it  
Your brain is serious, put me on  
Imma pimp or mack, then deal with the thong  
It's Jung and Wiz, straight out the bridge  
In the club bitches see us and they licking they lips

[Chorus]
