See up in this building right now, Fat Boy Entertainment

Rock with me, rock with me, rock with me

[Hook - 2x]

I'm looking for a girl, that's throwed

Nice feet, ice white teeth that's throwed

The way she backing and working that thang, that's  
throwed

6-5-4 she high, now let's go oh

[5th Ward Weebie]

You gotta rock-rock-rock-rock-rock the boat

I heard you was a head hunter, with a sloppy throat

Now like a man, come and break it off and let Weebie  
you understand

Now you know this boy go off

Now come on baby won't you back it up, I'm about to  
smack it up

That ass sitting low, so I guess I gotta jack it up

Put you on the wall and make you holla, ooh daddy

Call your other girl, and toss that thang like a salad

No I ain't no freak, I'm just a little bit nasty

I like a one night stand, I ain't trying to get married

5th Ward Weebie, got them girls going crazy

After I get with em, they be trying to have babies

Look at shorty she throwed, she working that there

Fat Boy Entertainment, gon serve that there

You know I like 'em throwed off, first time clothes off

Shit I ain't tripping, I got plenty I could roll something

[Hook - 2x]

And do tricks with the booty

A floozy that'll straight up, tell me she wanna do me  
A girl that can twerk and squirt on it, like she knew me  
In the streets she classy, in the sheets she nasty  
Doing shit for me without me even much asking

Cute face slim waste, need I say more  
These girls, in Clutch City  
Come equipped, with big hips lips and titties them big

You wanna jump in leather wood, then drop your g-

Let your tongue hang, and show off your tongue ring  
Now play with it, slowly lick your lips with it  
And show all the tricks, that you can do with it  
That g-string you got on, got everybody watching  
Niggaz bopping, and them hating hoes knocking  
Cause your feet really nice, your teeth ice white

So just come with Mike Jones, walk with Mike Jones  
So when I'm done with your ass, you gon crawl for Mike

[Hook - 2x]

[Choppa]

You don't want it with me, I'm just popular  
Now these people, pay to party with me  
I got girls in the V.I.P., getting it on  
And they ain't leaving, till they show they thong  
Some slim some big, some know they wrong  
But they all act a fool, when they hear my song  
I'm Choppa-Choppa, yeah I got another one  
Street baller Body Head, did I-did I stutter son  
I'm wilding out, off a bottle of Henn  
Got a line of girls waiting, at the Holiday Inn  
Mike Jones and Choppa-Chop, always flocking 'em in  
But I'm stopping again, cause she ain't hot as your  
friend  
Yeah I told your girl, don't hate a playa  
But if you is a throwed chick, you can page a playa  
I heard 5th Ward Weebie, got them hoes off the heezie  
Your boy lil' Choppa, bout to break 'em off proper  
And I heard, when she want the right song  
Who she call for Mike Jones, holla at your boy  
Houston and New Orleans, ain't no way you gon serve

Choppa-Choppa hold it down, representing that Dirty
