I'm in love with the idea of you
In rush of reality
Hard to face this deception
This human frailty

You're in love with the idea of me
In rush reality
Things aren't quite what they seem to be
Cursed human vanity

Oh, what a lie, oh, what a lie
Oh, what a lie, oh, what a lie
Oh, what a lie

Heaven, heaven and alchemy
Heaven, heaven and alchemy
I would catch a falling star if you asked me to
But I can't seem to find one to hold on to

I'm in love with intimacy
In rush reality
Driven by chemistry
Searching for affinity

Oh, what a lie, oh, what a lie
Oh, what a lie, oh, what a lie
Oh, what a lie, oh, what a lie

Heaven, heaven and alchemy
Heaven, heaven and alchemy
I would catch a falling star if you asked me to
But I can't seem to find one to hold on to

Heaven, heaven and alchemy
Heaven, heaven and alchemy
Heaven, heaven and alchemy
Heaven, heaven and alchemy
