Like a panther on the prowl  
Hear me purr, hear me growl  
I was fearless, fearless  
I'm wearing my slinky boots  
I'm wearing that kookie mood  
Now they seem to fit less

What am I gonna do?  
How do I face the truth?  
Loveless, loveless  
What am I gonna do?  
Now that I know the truth  
It's loveless, loveless

I know what's good for me  
I know what's bad for me  
All that sweetness, covered falseness  
It's a sick and twisted game  
To and fro and back again  
Could I see it? Did I hear it?

Maybe I should love less  
Maybe I should trust less  
I don't love this loveless  
What am I gonna do?  
Now that I know the truth?  
Loveless, loveless

I remember everything  
I can still recall the pain  
I was left there for dead  
Can't play this game again  
To and fro and back again  
It's senseless, I'm doubtless

What am I gonna do?  
How could you be so cruel?  
Loveless, loveless  
What am I gonna do?  
How do I face the truth?  
It's loveless, loveless

What am I gonna do?  
Now that I know the truth?

Oh, what am I gonna do?  
How could you be so cruel?
